

EASYCLICK® Disposable Cubicle Curtains

OPERATING INSTRUCTIONS

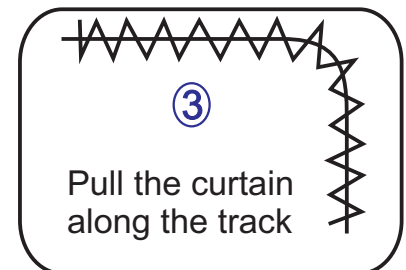

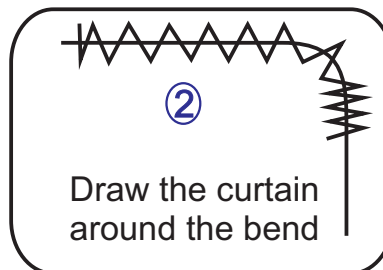

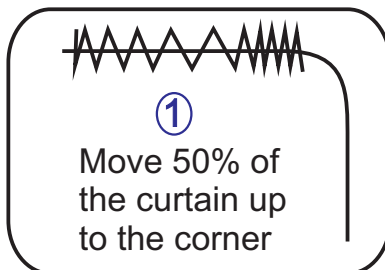

30 second installation

1. Ensure integral tie back is facing the wall.
2. Load at the most convenient place in the track, no need to insert at a pre cut loading point.
3. Hold the stem and tilt to insert one wing of the EASYCLICK hook into the rail. Click the second wing into the rail. Continue until all 26 hooks are in the track.
4. Ensure final hook is behind anchor point.
5. Remove protective polythene bag.
6. Mark date on audit label.
